LAST DAY OF SCHOOL

## Room 4's Assembly

On Friday the 26<sup>th</sup> August, Room 4 hosted the school's assembly. The students eagerly volunteered to participate in the speaking roles and confidently introduced speakers and the class item. The class sang their favourite song 'What the Fox Says'. The students were nervous but had a good go at the performance. Well done Room 4!

Dear Parents/Caregivers,

On Monday morning a child died. That child had previously been a student at South Kalgoorlie Primary School. When any child dies it is heartbreaking and I would like to sincerely offer my condolences and the condolences of the entire South Kalgoorlie Primary School Community to all the Doughty family. Please remember that we have Mr Matt, our chaplain, and Mrs Kadi Turner, our school psychologist, who are available to support any family members within our school who believe that they may need support. The beauty of South Kalgoorlie Primary School is that it is a safe and caring environment where we look after each other especially when times are difficult.

It is very difficult to please everyone when it comes to our end of year award evening. Each year many parents are disgruntled because they don't want their children staying until the end of the evening and after sitting through the award nights of four boys, I do understand that they can be repetitive if your child is not on stage or receiving an award.

So we have been rethinking how this can be done to accommodate everyone and ensure that our younger students do not get too tired. **On FRIDAY, 9th DECEMBER this year we are having a CELEBRATION OF LEARNING DAY. This day will encompass an awards ceremony and family sharing like our other You Can Do It! Days.** The reason for letting you know this early is so that all of you hard working parents can request leave from your caring employers well in advance and join in the day with your children! More details of the day will be released closer to the date.

## Key To Success

### Resilience

**Resilience** means ...  
When faced with difficult and challenging situations and people, being able to:

- stop getting extremely angry, down, or worried,
- control my behaviour when I am very upset,
- calm down within a reasonable period of time
- bounce back to work and play.

### Habit Of The Mind

Habit Of The Mind (Ways To Think Positive) that can help me to be **RESILIENT** is:

#### Accepting Myself

Accepting myself means to remember when things go bad that I am not bad!

### Kids With Character

To **Do Your Best** you should:

- = Use your neatest handwriting in your work
- = Practise your reading every day
- = Choose to behave yourself

## Parents & Citizen's Association (P&C) News

The P&C Father's Day stall is always popular and it is fun to see the kids choosing their special gifts and planning what they will do with Dad, Grandpa and the family over the weekend. Thank you to those who supported the stall this week by purchasing gifts and also to those who volunteered their time to run the stall. Happy Father's Day to all our Dads – we hope you have a great weekend!

### Enterprise Day

Friday 16<sup>th</sup> September is our annual school Enterprise Day fundraiser. This term classes have been discussing, and some already working on, their enterprising class business ideas. If you can assist in helping bring their enterprise ideas to life by providing materials for use or by volunteering your time please speak directly to your child's classroom teacher or to the office.

An invitation to join in the fun of Enterprise Day is extended to all parents and family members - there were a great number who attended last year! And, if you have some time available the P&C would also be grateful for any assistance on the day in the setting up, running of and/or the packing up of equipment etc.

Our P&C aims to assist and support the school for the benefit of all students, and volunteers are always required to be involved in and support P&C fundraising events. Money raised is for the benefit of all our children and is used to purchase valuable resources and materials for our children's use.

### SKiPS Canteen

Fruit and Veg September is about encouraging our students to choose a variety of colourful fresh fruit and vegetables every day to fill their bodies with goodness. Perhaps you might like to keep a tally of how many fresh fruit and vegetables your family eats during September?

To coincide with Fruit and Veg September SKiPS canteen will be running a Delicious Fruit and Tasty Vegetables Colouring in Competition during Week 9. Completed Colouring In Competition entries and a list of prize winners will be on display outside the canteen on the Friday of Week 9 (Enterprise Day).

There will also be a fresh fruit and vegetable platter available at the canteen before school each morning during Week 9, and students can select a wedge of delicious fruit or some tasty vegetable sticks to eat before they start their school day.

### Peas in a Pod Playgroup

Mums, Dads, babies, toddlers and younger siblings of our South Kalgoorlie Primary School community are invited to attend the Peas in a Pod Playgroup sessions held each Tuesday and Thursday morning from 8.45am in the Parent Room.

They are casual and friendly mornings where our younger children have the opportunity to play together while the adults have a cuppa, relax and chat.

Earlier this week the Peas in a Pod Playgroup also hosted a special Father's Day Craft activity in the Parent Room. It was an enjoyable morning with the younger children of our families painting and making a Father's Day card for Dad.

### September Meeting

Our next P&C meeting will be held on Wednesday 21<sup>st</sup> September 6pm-7pm in the Parent Room. Parents, carers and other interested community members are invited to attend, and children are always welcome.
