Room 22

The start of Term 3 was very busy in Room 22! We spent many hours rehearsing and practicing the dances that were in our amazing assembly item. It took a lot of effort to perfect the dances and for the judges to learn their lines. We are very proud of the performance we gave!

In class we have had fun writing our own versions of popular myths and legends. We created our own beasts for Hercules to battle and wrote a modern day version of Robin Hood, who had to have a different skill to archery. We have also been learning about electric circuits and have experimented with a number of resources to create electric circuits. Our circuits made a range of things happen. Some turned on a light, some made a siren noise and the most exciting circuit made a helicopter propeller fly into the sky.

The Pre-primary staff and students would like to thank Bodean Buckingham and his Cooper Fluids for sponsoring our Father's Day Sausage Sizzle and supplying all we needed to pull off a fabulous day!

Attendance for Weeks 5 & 6	
Room	Percentage
Bilby	85.26
Gecko	89.21
Koala	85.29
R 1	80.87
R2	81.82
R3	85.00
R4	90.87
R5	87.14
R6	90.43
R7	91.46
R8	87.86
R10	88.20
R11	91.88
R12	84.20
R13	77.50
R17	84.00
R18	90.74
R20	83.65
R21	79.23
R22	84.00

Important Dates

7th September
Room 13 Assembly

8th September
Athletics Carnival

15th September
Enterprise Day

20th September
P & C Meeting

22nd September
Room 6 Assembly
LAST DAY OF TERM

Merit Certificate Winners—August 24th 2017

Room 1	Millah Craig Shayne Williams	Room 13	Monson Au-Fua Hezekiah Manukau
Room 2	Madison Sarkadi	Room 17	Talia Bonney
Room 3	Room 3	Room 20	Jada Evans
Room 4	Kezia Carruth Eternal Lemalie	Room 21	Kainoa King Ella Zocaro
Room 5	Aiden McNamara	Room 22	Jessica Schoppe
Room 6	Oshiarna Manukau Aaron Farias	Bilby	Tarani Clissold Addison Craigie
Room 7	Devyne Silipa	Gecko	Zak Wolfe
Room 8	Carrissa Brennan	Art	Jacob Slack
Room 10	Izak Bottrell	Music	Junior Choir
Room 11	Rickelle Bromfield	Phys Ed	Gecko
Room 12	Caitlyn Anderson	Technology	Lola Beard

'Nude Food' Lunches

It's important for our school to consider embracing the nude food revolution and encouraging children to bring a rubbish free lunch to school. By packing a healthy 'nude food' lunchbox you can not only reduce packaging waste but also:

- Reduce packing waste and rubbish in landfill. Swap disposable juice poppers for a reusable drink bottle with water or individually packed yoghurts.
- Improve your child's nutrition with a balanced diet that doesn't include processed packaged foods. Increasing the intake of fresh, wholefoods.
- Save you money! Making homemade foods will have greater nutrient value and are cheaper than the packaged varieties.

Did you know that children are at a greater risk of dehydration than adults. This is because in relation to their size, children have a larger proportion of their skin available to lose sweat and be exposed to heat. Additionally, children don't always recognise that they're thirsty, and if they're not encouraged and reminded may forget to drink.

How much water does my child need?

The amount your child needs will vary depending on their age, size and level of activity. For children under 8 years of age, at least 4-6 glasses of water is recommended. For children older than 8 years of age a minimum of 6-8 glasses is recommended. If your child is playing sports or is very active they will need extra fluid.

Tips to help your kids stay hydrated!

- Pack a water bottle for school and when you go out. Try a frozen water bottle in summer.
- Encourage your child to drink water before, after and during physical activity
- Always offer water with meals and snacks

Encourage your child to drink water, even if they don't like it!
