## From the Principal

Dear Parents/Caregivers

The days seem to fly by and as often happens with the onset of winter, teachers and children are suffering across the school with coughs and colds. Another problem that has reared it's ugly head again is head lice. Please remember to check and or treat your children's hair regularly. There are many ways to treat hair if you are vigilant other than using nasty poisons and the school can provide you with information if you ask.

Next Wednesday Year 1 to 6 is doing the Heartwalk. Each year group will be walking different routes and meeting at Kingsbury Park. The children loved seeing the murals and meeting some of the artists last year. This will be followed by the children completing murals all over the school on Friday as part of our You Can Do It! Day. For both of these events we could really do with some parent helpers! If you are available to come on the HeartWalk with your child's class on Wednesday please let your child's classroom teacher know, or if you can help on Friday we would love you to come along in old clothes ready to help us create our murals! Miss Delia Botha has been the organiser of both of these events. MISS BOTHA YOU ARE A STAR!!!!

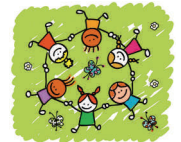

Each morning between 8:10 and 8:30am in the Canteen is our Breakfast Club for any children who have rushed to school without eating breakfast. Of course we know that breakfast is the most important meal of the day and children with full tummies learn much better than children with empty ones! However, we need some volunteers to help to run the Breakfast Club. If you are happy to help please come and let Laura, Cassie or Renae know.

SCHOOL UNIFORMS!!! Every parent must be very frustrated because most of our lost property baskets are full of school jumpers!! It is so important to have your child's name clearly written on his or her jumper because you would be amazed where we find them!! Another couple of reminders..... no jumpers or hoodies under school shirts. The children get too hot during the day, particularly going in and out of a warm classroom and running around. A light long sleeved top under their school tee shirt is all that they need in winter and definitely NO JEANS!!!! Please remember that **uniforms are available at the Canteen** or green tracksuits can be bought at K-Mart or Target.

Please check our website, Facebook page and Skoolbag App for day to day information on the happenings of the school. South Kalgoorlie Primary School is a very busy place with some wonderful things happening. Next Tuesday evening is our next School Board meeting. Any parent is welcome to come along to the Library at 6.00pm and join in if you would like to.

I hope to see you on our HeartWalk!

Kath Grant  
Principal

### OUR CONFIDENCE SONG!

I'm Connie Confidence and I like to take a chance  
I tell myself, "I Can Do It!"  
When I make mistakes everything's ok  
'Cause I'm feeling very confident today

I'm Connie Confidence and I like to take a chance  
I tell myself, "I Can Do It!"  
'Cause I'm feeling very confident today

Standing up tall or catching a ball  
I can do hard things too  
Have a go, I'm ok, that's what I say  
'Cause I'm feeling very confident today

I'm Connie Confidence and I like to take a chance  
I tell myself, "I Can Do It!"  
'Cause I'm feeling very confident today

I'm Connie Confidence and I like to take a chance  
I tell myself, "I Can Do It!"  
'Cause I'm feeling very confident today  
'Cause I'm feeling very confident today

I am Connie CONFIDENCE!

Hello from the Dental Therapy Centre,

We hope everyone has had a great second term, it has really gone fast!

During the school holidays the clinic will be open Tuesday 3<sup>rd</sup> – Friday 6<sup>th</sup> July.

Boulder school dental is open in the second week for any emergencies.

From the 16<sup>th</sup> July to the 3<sup>rd</sup> August 2018, final year students of the Curtin University Bachelor of Oral Health degree will be coming to our clinic, as part of their country placement.

Your permission will be sought prior to your child having any treatment undertaken by one of these students. Students must have demonstrated a high level of clinical competence, appropriate to the procedure to be undertaken, before they can undertake patient care.

These students will work under the direction of qualified dental professionals, in this clinic, to continue to provide high quality dental care to your children.

Please feel free to discuss any concerns with our clinic staff

Thank you for being supportive of our student placement programme.

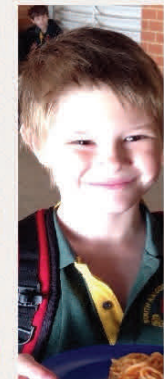

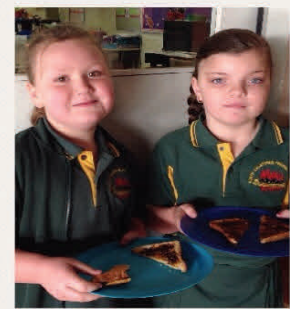

Enjoy your break!

We would like to say a HUGE thank you to everyone who collected the Coles—Sports for Schools vouchers. We have been able to purchase over \$1500.00 worth of sports and circus equipment for our school. Miss Watt had a great time selecting from a wide range of equipment, likening it to Christmas.

Our order will be delivered to the school sometime early next term.

Once again THANK YOU!!!!!!

The SKPS P&C would like to announce ...

## **We have a Breakfast Club at South Kalgoorlie Primary School!**

The start of our Breakfast Club has seen more than 40 students each morning warm up with fresh porridge, spaghetti, baked beans, toast, weetbix and fruit. It has been great to see our students enjoying breakfast before doing their dishes and heading into class.

We would like to acknowledge Foodbank for their contributions as well as all the lovely volunteers that make our Breakfast Club possible!
