Issue 12—August 2nd 2018

From the Principal

Dear Parents/Caregivers

Year 6 Graduation has been beautifully organised by a dedicated group of wonderful Year 6 parents led by Mrs Renee Maynard. This year the students wanted a special luncheon at the Golf Course, so the day will be different from the last two years. The only day that the Golf Course could be booked was Thursday December 6. To ensure that our Year 6 students get the day that they want and that parents do not have to compromise two days, we have made the difficult decision to change our Celebration of Learning Day to Thursday December 6. With sixteen weeks until the event hopefully this will still be enough time for parents to organise any work scheduling in advance. So our **Celebration of Learning Day will be on Thursday December 6.**

I would like to thank the parents who completed the School Survey. Unfortunately we did not receive a large number of responses but of the ones received most were extremely positive. A snippet of the responses

98 % of respondents - ***Teachers at this school expect my child to do his or her best.***

80% of respondents - ***My child feels safe at this school.***

98 % of respondents - ***I can talk to my child's teachers about my concerns.***

84% of respondents - ***This school takes parents' opinions seriously.***

88% of respondents - ***This school is well maintained.***

86% of respondents – ***This school is well led***

84% of respondents - ***I am satisfied with the overall standard of education achieved at this school.***

As well as the general survey responses, some parents gave some constructive feedback as to how we can make improvements across the school. We have been trying to enclose the undercover area for some time so that we can have discos for the children, but it is proving to be a challenge and we are also in the process of getting an EFTPOS machine. Leading a dynamic school is always challenging, but at the heart of decisions made is always the best interest of the children. Thankyou to those of you who acknowledged this.

Congratulations to Ms Watt and our Cross Country team. I know that it was a very exciting day and as usual our South Kal team was well prepared and were fantastic sports. Many thanks to Miss Watt, Mrs Koellner, Mrs Ashwin and Steve our trusty gardener for your hard work on the day.

Kath Grant

Room 13	Noah Wright Jashanti Cooper		

It was fantastic to see so many children and parents at our very first Peas in a Pod session this morning. We look forward to seeing them all again next week. Peas in a Pod runs every Thursday from 8.45—10.00.
