## From the Principal

Dear Parents / Caregivers

Tonight for the first time parents and students will officially see our new roller doors and students enjoying the space in the undercover area at our disco! We are all so excited!

A HUGE thankyou needs to go to Ms Toni Gallant for all her work organising the disco. It is going to be great fun. Parents, please be aware that this is a no-go zone. You are very welcome to stay and relax in the Year 4 block if you would like to wait for your tiny dancer but we encourage you to go and have a coffee while your children are socialising.

Our wonderful P&C contributed \$25 000 towards the enclosing of the undercover area and the job was done by Monadelphous and B&D Roller Doors. I would like to especially thank Mr Robert Grubb from Monadelphous for the organisation and overseeing of the entire process.

The Faction Swimming Carnival is on Friday and has been beautifully organised by Mrs Jessica Breslin. I hope that all swimmers have returned your permission slip. Children without permission slips will be remaining at school. It is always wonderful to see parents at the pool watching the carnival. If you are free to lend a hand, please let Mrs Breslin know because we love parent helpers! Unfortunately I am going to my nephew's wedding in Perth so I won't be able to make it; however, the stars of the day are always our fantastic students!

By the time students have danced the night away at the disco and then finished swimming at the carnival they should sleep well on Friday night! However, if your child is on YouTube, please be aware of what they are watching and monitor what is happening. There have been some inappropriate popups and videos that parents should be aware of. Please make sure that you are vigilant and openly discuss what your child is doing on the internet at all times.

Kath Grant, Principal

### ANNUAL FACTION SWIMMING CARNIVAL

Tomorrow is the Annual Faction Swimming Carnival for Years 4-6 students. We ask that students remember to bring a towel, goggles (if preferred) and plenty of food and drink for the day. They should also bring a change of clothes for afterwards.

Lunches pre-ordered through the canteen will be delivered at the appropriate time and we remind parents that students are **NOT permitted** to use the canteen at the Oasis.

We look forward to a great day and encourage family members to come along and support the children as they take part.

### CANTEEN

A reminder that the Canteen is NOT open on Mondays or Tuesdays.

We are still in desperate need of volunteers to help out in the canteen. If you can spare an hour or two during the mornings, please call in and see Laura at the canteen.

Breakfast is available for the children from 8.10am in the mornings. Breakfast is supplied by Foodbank.

## TOP 10 MATHS TRAINING DAY

All staff participated in an interactive Top 10 Maths Resources Professional Learning Program, Monday 25th February.

## SKPS ARE ON A MISSION!

We are asking families to collect and donate their bread bag tags. Each class will be given a special jar and students, teachers and families are asked to collect and keep their bread tags. These can be placed in the special jars in classrooms.

The bread tags are being collected and then recycled to create resources like coat hangers and seedling trays. These are sold and all money raised by the 'Bread Tags for Wheel Chairs' Foundation will be used to empower an individual's life; by giving them back their independence and freedom. So get involved and help us make a difference, while saving our planet's resources. We would really appreciate your support.

**I WANT YOU!**

**TO COLLECT BREAD TAGS!**

**YOU CAN MAKE A DIFFERENCE!**

It takes 155kg of bread tags to make enough recycled products to buy one wheelchair - that's a lot of tags!!

Each classroom has a special jar for Bread tag collection - these jars will be emptied at the end of each week.

**LET'S SEE HOW MANY WE CAN COLLECT!!**

## Facebook

Did you know that South Kalgoorlie Primary School has a Facebook page? This page is updated daily with school news, photos and general information. To keep up to date with school news and activities got to Facebook, like and follow our page, "South Kalgoorlie Primary School".

## Student Details

It is very important that your contact details are kept up to date. The school needs to be able to contact parent/caregivers if a child falls ill or has an accident. If your details have changed, please let the office know so that we can change your contact details.

## VOLUNTARY CONTRIBUTIONS

In order to enrich the opportunities available to your child in school, the Department of Education under section 99 of the School Education Act 1999, permits schools to request that all parents/caregivers pay a voluntary contribution. The amount requested is determined in consultation with the School Board. Contributions for 2019 are set at a flat rate of \$50 per student from Kindergarten to Year 6. This amount has not changed for the last 7 years.

These funds are important if a school is to be able to budget effectively. Parents are requested to pay the contribution during the first two weeks of school. Other fees will be called for during the year for specific activities. A summary of proposed costs is produced annually and distributed to parents with the stationary lists.

**Payment can be made at the Front Office.**

The SKPS P&C and Miss Gallant would like to present...
