## From the Principal

There has been quite a bit of confusion about our **Book Week** dress up. The Book Week theme this year is “What is Your Secret Power?” It could include almost any “secret power” that is inspired by a book. There are many ideas on the Book Week Website.

We have of course added an extra piece of complexity by asking mums and dads to create those costumes with recycled materials. I know that many of you are using hand-me-downs, boxes or things from second hand stores. All great recycling!! The main object is for children to join in and have fun!

South Kalgoorlie Primary School is a **Crunch and Sip** School. This means that each day in every classroom the children are expected to take time to eat a piece of fruit or a vegetable and drink water. Fruit and vegetables should be the bulk of each person’s diet and children should be eating five portions of vegetables and two pieces of fruit each day. Could all parents please ensure that your child or children bring a piece of fruit or some sort of vegetable for Crunch and Sip every day.

**Don't forget to pack Crunch&Sip® every day...**  
Crunch&Sip® is a set time for your child to eat vegetables or fruit and drink water in the classroom.

The graphic illustrates the Crunch&Sip program components: a water bottle, a plus sign, a selection of vegetables (celery, carrot, broccoli, cucumber, tomatoes), an 'or' sign, and a selection of fruits (apple, kiwi, orange, grapes). Logos for Crunch&Sip, healthway, and Greater Geelong Council are at the bottom, along with the website [www.crunchandsip.com.au](http://www.crunchandsip.com.au).

### Crunch&Sip®

#### Re-fuel with Crunch&Sip®

Participating in the Crunch&Sip® program is an easy way to help your kids stay healthy and happy!

Crunch&Sip® is a set break during the school day for kids to munch on vegetables or fruit brought from home and rehydrate with water. This gives students the chance to re-fuel, assisting physical and mental performance in the classroom.

While primary school aged children in WA are doing a great job of eating enough fruit, only 1 in 6 are getting enough vegetables! Why not pack some fresh vegetables for Crunch&Sip® today such as carrot, celery, snow peas, broccoli, cauliflower, cherry tomatoes or cucumber?

Friday August 30 is the **Goldfields Eisteddfod**. Ms Gallant has been working tirelessly with our Junior and Senior Choirs to polish their performances. Spectators are welcome to attend the Arts Centre on the day so I hope that many of our choir parents will be able to share the day with us as we are unable to take videos or photographs of the performance.

## Year 6—2020

All our Year 6 Students who have indicated that they will be attending KBCHS would have now taken home their enrolment packages.

The enrolment packages need to be returned to the school no later than the 30th August so that the KCBHS can collect them from us. If

your child is not attending KBCHS and has taken a package home please, return it to the front office so that we can return them to be re-used.

## DENTAL HEALTH WEEK 2019

As part of Dental Health Week 2019 we decided to have a theme of 'Tooth Defenders"! Our South Kalgoorlie Primary School Rooms 1, 2 and 3 (Year Two and Three) helped us by designing their idea of a tooth superhero.

They thought about what form they would take; a tooth, a robot, a person with powers; what costume they would wear and what 'weapons' they might need to fight the forces of decay and plaque!

We received some amazing designs and ideas!

And then the production of Ginger-vitis and Furry Germ v's The Tooth Defenders was born!!

We were also hosting 3 Third Year Oral Health Therapy students during this week who embraced the idea with gusto. So we designed and put together our costumes, Toothy Tuesday arrived and after a couple of quick 'rehearsals' at lunch time, WE WERE ON!

After the performance the winning 6 designers received a battery operated toothbrush from the Defenders and all the students enjoyed a 'toothpaste jelly'. And a great time was had by all!!
