Issue 7—May 28 2020

From the Principal

Welcome to our mid-term newsletter. Teachers are preparing reports for your children. Of course reports are going to be very different from previous years after so much of the year has been significantly interrupted. However, reporting should be back to normal in Term 4.

Obviously teachers and parents would like to discuss students regarding progress before reports are sent home. Teachers will contact parents to discuss your child's progress.

I would like to sincerely thank all parents for your ongoing support with the restrictions regarding school grounds. We are all finding this a very difficult expectation but your acknowledgement of the government ruling makes it so much easier for staff. Please remember that if you need to come to the office for school business you can do so. Please park in the front visitors' car park and walk straight to the office. If you need to make an appointment, you can also do that by contacting the office on 90925800.

Giving students Merit Certificates in classrooms rather than during an assembly is a strange sensation but quite a lot of fun! While it probably doesn't have the same impact that an assembly does, it does allow conversation and informality. It was a delightful way to spend Friday morning!

We are now free to visit both Esperance and Perth on a long weekend!! Make sure that you all drive carefully and enjoy your mid-term break.

Kath Grant

Principal

Coronavirus: What you need to do

Wash your hands

Use a tissue for coughs

Avoid touching your face
