Dear Parents/Caregivers

Most children love sports carnivals! Tomorrow we are expecting to see our oval covered with red, green, gold and blue children and hear them yelling for their teams!!! Our wonderful P&C ladies have organised a coffee van for the day as well as our wonderful hamburger lunch. It is usually a great fun day so hopefully lots of you will be able to come along and join in!

Most parents should be aware of your child's attendance goal. It does not take many days away from school for your child's attendance to drop. However, it also doesn't take many days of continuous attendance to improve your child's percentage. If your child misses one day a week his or her attendance would be 80%. That puts your child at educational risk. That is one day of work that your child has missed and has to catch up. One day a fortnight is 90%.

Classroom attendance is obviously measured across the entire class and is a competition across all the classes! Every class tries to win the attendance award. To win the attendance award each member of the class needs to be at school above 90% of the time.

All the children are trying to improve their attendance so that they can be a part of our Inflatable Fun Day on Wednesday 16, September. It will be a great day for all!

A reminder that while swimming notes are due in today swimming money is due on Thursday September 17. Swimming money can be paid by Direct Deposit in to the School's account

BSB 066514 Account 00900759 Please write your child's name with the deposit.

Attendance Matters

We had 168 students with 100% attendance in weeks 4, 5 an 6. That is 47.53% of our student body. Lets hope that we can increase that number before the end of Term 3
