FROM THE PRINCIPAL

Welcome to our first newsletter of the year. It was wonderful to see our new Pre-Primary class ring our old bell, this morning. We are so lucky to have relatively modern buildings and many resources, even though we are still an old school with some wonderful traditions.

This year we welcome new staff and returning staff:

- Mrs Tanya Evans, our new School Officer;
- Mrs Simone Keast who is teaching Year 3 /4 in Room 14;
- Mrs Kate Annetts who is in Echidna Kindy on Monday, Wednesday and alternate Fridays;
- Ms Corrine Taurima who is back three days a week teaching across the school;
- Ms Toni Gallant and Miss Pip Smith who are teaching Year 3/4 in Room 9 after being on maternity leave;
- Mrs Katherine Tonkin is teaching Science two days a week after her surgery last year; and
- Ms Emma Hosken - our new special needs education assistant on Thursdays and Fridays and will also help in the Library when Mrs Grubb is away.

So far we have been very lucky to have avoided some of the COVID concerns that have occurred in Perth and other states. However, the Department of Education has put some controls in place to ensure that our entire school community remains safe. One of these is that large gatherings will not be taking place on school grounds. This will change our parent information session next week and assembly schedule for the year. We will reassess what we are doing and send home a term planner asap.

Please be aware that it is not mandated for parents or students to be vaccinated to be at school or on school grounds. We encourage parents to still be at school and work with students; however, parents are reminded that if you have been to Perth in the last two weeks, masks should be worn.
