FROM THE PRINCIPAL

I hope that you all had a wonderful long weekend! My husband and I enjoyed camping and not having to wear masks for three glorious days! So far most of the children are coping pretty well with wearing masks in the classroom. The hardest part is trying to hear what we are all saying. Sometimes it can be tricky.

We are trying to come up with some new assembly strategies so that the children can perform for the rest of the school community. At the moment the best idea has been to present everything using Microsoft Teams. It is a matter of “watch this space”; so when we have worked out the details we will let you know.

At the moment getting relief teachers, in fact getting any teachers, is extremely difficult. So while Mrs Bradbury has been away, Mrs Bruce, Ms Pestell and I have been teaching in Room 11. At this stage, Mrs Bradbury is on extended leave so we could be teaching the class for some time. The last time Mrs Bruce and I taught our own class was twenty years ago, so apart from the significant increase in workload, there has been some rather steep learning curve. So far it is a bit like riding a bike, it is coming back.....

Week 8 is Harmony Week and Friday March 25 is our Harmony Day dress up day. This year our theme is “Everyone Belongs”, so we are asking that everyone wears cultural dress to represent your country of origin, culture or background. Of course you can wear orange for Harmony Day if you would like to. In this time of COVID, when our classes have to be separated, and parents have limited access into our school, we want to feel together and belong - so please help by encouraging your children to share this special day.
