FROM THE PRINCIPAL

Mrs Suzanne Jackson will be retiring at the end of this term after 33 years in the office at South Kalgoorlie Primary School. She will be sorely missed. During that time, she has overseen amazing developments across the school: including significant building works, many different principals and school staff, supporting families and learning of generations of children and major educational change. Mrs Jackson, as Manager Corporate Services has been professional and meticulous in everything that she has done for our school. On behalf of the South Kalgoorlie Primary School community I can't thank her enough for her enormous contribution to the education of our children.

It was wonderful to hear Georgia and Eve speaking with Sebastian Clark on Triple M Radio yesterday morning. If you would like to hear a recording of the broadcast, it is on both the Triple M and school's Facebook page.

Poor/low attendance has been a significant issue lately, COVID has been a concern for many families; however, at school we are taking every precaution to ensure that children are safe and the likelihood of contracting COVID from other community and family contacts is far greater than school. Rest assured the symptoms of COVID in children are very mild. I encourage parents to send children to school, not only for their social-emotional health, but to ensure that they achieve academically. Each day they miss means that they lose valuable learning time, as well as connections they make with their peers and teachers.

Thank you to all parents who have helped to dress their children in traditional clothing today to help us to celebrate Harmony Day. We will try to get lots of photos onto Facebook today.

We are having our Easter Hat Parade on Thursday 7 April and are hoping to have it outside in class groups so that you can come and watch your children parade. We are unsure what the COVID safe rules are going to be then, so it will be a "watch this space" as to how it will be run.

Have a wonderful weekend!

Kath Grant
