### FROM THE PRINCIPAL

Enterprise Day last Thursday was a wonderful day out in the sunshine. Thank you to all parents who came along to share the day with your children. As always, each class created some amazing products and activities. The day raised over \$4000 and, as with previous years, was one of our best fundraisers.

The South Kalgoorlie Primary's 120th birthday celebration was also a great afternoon. A number of previous staff and students have visited the displays in Room 1 and the library. Congratulations to Ms Gallant and our fantastic choir for singing so beautifully.

This week continued to be very busy with upper primary students participating in the STEM activity on Tuesday. Well done to our students who represented SKPS in the Inter-school Athletics Carnival on Wednesday and brought home the shield in first place.

Engagement Day Discos on Thursday were a great way to burn off some energy for the students. As you are aware, this is my last week as the Principal at South Kalgoorlie Primary School and Mrs Tam Kelly will be Principal in Term 4. I have loved my time leading this beautiful school and leaving is very difficult. Luckily, my bond with the school will continue through my grandchildren so I will have the opportunity of continuing to be part of the South Kalgoorlie Primary School community. Have a wonderful holiday and success and happiness in the future.

Principal**

**South Kalgoorlie Primary School**

We would like to thank Ms Grant for her 14 years as Principal here at South Kalgoorlie Primary School.

Well done to Room 10 for their amazing effort in organising their assembly as a special way to honour Ms Grant.

Thank you to all the parents and visitors who came to our end of term assembly on Friday to farewell Ms Grant.

We wish you all the best on your next adventures.
