FROM THE PRINCIPAL

The end of the year is fast approaching! There are many events and celebrations scheduled for our students in the next few weeks. Please keep an eye on our communication spaces – Facebook, Class Dojo, website and this Newsletter to keep up-to-date and ensure you don't miss anything.

Before and after school

A reminder school supervision commences at 8.10am. Please do not drop your child at school before this time as there is no supervision until 8.10am. A reminder also, that playgrounds are 'out of bounds' after school as there is no duty of care expectations for school staff in these areas after 2.50pm.

Kindy 2025 Information Orientation and Information Sessions

We look forward to welcoming our new 2025 Kindy students and their families to tSouth Kalgoorlie PS next Friday at an orientation and transition session. If you know a family who has a Kindy aged student for 2025, please encourage them to make contact with school about enrolments ASAP to ensure there is a place reserved for them in 2025.

Connect and Respect

The Department of Education supports two-way respectful communication between school and home. Whilst our teachers and staff will respond to your communications as soon as they are able, please be mindful that throughout the day they are teaching and may have both professional and personal commitments after school they need to attend to. The flyer attached to this Newsletter outlines this in more detail.

Attendance – Every Day Matters

When is it OK to not go to school?

An OK reason is one that prevents your child from getting to school. This could include:

- your child is unable to attend because they are sick
- attending cultural or religious observances such as sorry time and funerals
- an unavoidable medical appointment
- an unavoidable natural event such as flood waters or a cyclone

It's NOT OK to miss school if your child:

- is celebrating a birthday
- is going on a family holiday
- is visiting family and friends
- has slept in or had a big weekend
- is looking after other children
- has sport or other recreational activities that have not been approved by the school
- has appointment such as haircuts and minor check ups

If possible, routine medical and other health appointments should be made either before or after school, or during the school holidays.
