FROM THE PRINCIPAL

Amazingly, we are in Week 9. As you know this term is 11 weeks, and during the last two weeks we have swimming lessons because we know how dangerous water can be when children can't swim. Obviously, the children will need to be well rugged up after swimming so please make sure that your child has a sturdy towel for getting dry and a warm uniform to change into each day. We will ensure that each child is dry and changed at the pool to get onto the bus.

Due to swimming, our end of term engagement day will be a little different. Each classroom will be having their own end of term reward, however, there are several children who have lost their good standing and may miss out; you will be contacted if your child has lost good standing.

It was unfortunate that our cross-country had to be postponed. After the torrential rain on Wednesday, our oval was extremely wet and, after the hard work and effort that has gone into its rehabilitation, we did not want to cause excessive damage by running on it. Hopefully, early next term it will be dry enough to run on.

Year 6 students have trained hard to play in today's Interschool Winter Lighting Carnival. We sent a netball team and two soccer teams. I would like to thank Ms Hosken, Mrs Bergman and Mr Polmear for helping to train the teams and attending today's carnival, and well done to our players.

Reports will be sent home on the last Thursday of term. If you have not had the chance to meet with your child's teacher, please try to do so. Your child's school report should not be a surprise.

Next Wednesday 19th June, Mrs Ali Kent will be supporting families to apply for the student assistance payment. She will be set up on the veranda outside the library, if you need help with your application, please come at 8:30am on Wednesday.

June 17 - 28	Swimming Lessons
June 26	Engagement Day
June 28	Last day of Term 2.
July 16	First day of Term 3.
September 12	120th Year Celebration

SCHOOL HOLIDAY PROGRAM

29 JUNE -14 JULY

How the animals got their colours trail
Inspired by the book 'How the birds got their colours' follow the birds and other animals round the museum's garden and find out how they got their colours.

Weaving
Join us on a vibrant community adventure through our interactive weaving activity, and contribute to this immersive textile installation.

Tiddalick the frog
Get ready to bring your own chunky Tiddalick to life! Create your very own version of this mischievous frog and tell your own version of the dreaming story.

Quiet corner
Relax in our peaceful corner, made just for you. Enjoy our cozy reading nook with your favorite books or have fun with our jigsaw puzzles.

Lirru & Karikurla
Climb the Silky Pear to victory and avoid slippery surprises in our exciting Lirru and Karikurla game - where every roll brings a new adventure for kids to conquer.

Nullarbor beads
Let your creativity shine! Use Popsa markers to add vibrant colours to Nullarbor beads, then turn them into stylish necklaces or bracelets.

Colouring in
Dive into our colouring activity and let your creativity flow - every page is a masterpiece waiting to happen!

Karikurla landscape
Bring the Goldfields landscape to life! Decorate bush leaves and animals and add to our collaborative artwork. Let's make something amazing together!
