South Kalgoorlie Primary School Newsletter

FROM THE PRINCIPAL

May 15

Dear Families,

It is hard to believe we are already moving into the middle of Term Two! The first four weeks have flown by, and it has been fantastic to see so much positive learning and engagement happening across our school.

Our students continue to impress us with their positive behaviour, enthusiasm for learning, and the way they challenge themselves in the classroom each day. Staff have worked incredibly hard to provide engaging and supportive learning environments, and it has been wonderful to see students thriving both academically and socially.

One of the highlights of the past fortnight was our Outdoor Classroom Day, where students participated in a range of hands-on learning experiences outside the traditional classroom setting. The day celebrated creativity, collaboration, wellbeing, and the value of connecting learning with the outdoors, and it was fantastic to see so many students actively engaged and enjoying the experience.

A huge thank you to the dedicated parents, community members, and staff who attended our recent School Board meeting. Strong partnerships between school and community are incredibly important, and we greatly appreciate the ongoing support shown to our school.

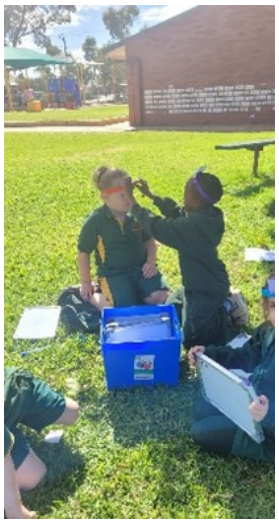

Friday also saw our Year 5 and 6 students take to the field and court for the first round of the Eagles and Fever Cup. Students represented South Kalgoorlie with enthusiasm, teamwork, and excellent sportsmanship, and we were very proud of their efforts.

Thank you, as always, for your continued support of our wonderful school community.

KEEP LEARNING

South Kalgoorlie Primary School Newsletter

Bikes and Scooters at School

A reminder to all students and families that bikes and scooters should be securely locked when stored in the school compound. While the compound gate is locked during the school day, we have unfortunately had two recent incidents where scooters have been taken from the school grounds.

To help keep belongings safe and secure, we strongly encourage all students to use a bike or scooter lock each day.

We would also like to take this opportunity to remind students and families that helmets should always be worn when riding a bike or scooter to and from school. Wearing a helmet is an important safety measure and helps protect students while travelling.

Thank you for your support in helping keep our students safe and their belongings secure.

PJ Day Fun at South Kalgoorlie!

Our Gold Coin Donation PJ Day, organised by our fantastic Student Leaders, was a huge success! Students and staff enjoyed coming to school dressed in their comfiest pyjamas and had a blast lounging about while supporting a great cause.

Funds raised from the day will go towards purchasing environmentally friendly soccer goal nets for our school grounds. The new goal nets were an identified project by our students, for our students, highlighting the importance of student voice and giving students the opportunity to help shape and improve their school environment.

A big thank you to our wonderful students, families, and community for your ongoing support and generosity. It was fantastic to see so many people getting involved and helping make the day such a fun and successful event!

P&C News

Upcoming P&C Meeting

We have an upcoming P&C Meeting on Wednesday 20 May at 3:00pm in the school library.
A new committee has been formed for 2026 and members are excited to run their first official meeting. Everyone is warmly invited to attend.
Our P&C exists to support and strengthen our school community, and the team is eager to create a welcoming and inclusive space where all families can be involved, share ideas and help shape exciting opportunities for our students and community.
We would love to see you there!

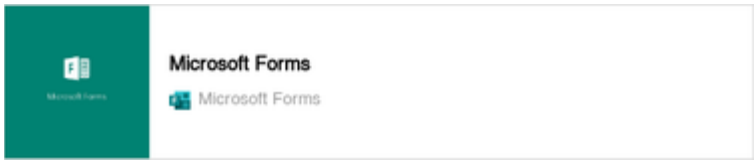

SKPS Canteen Feedback

The P&C are seeking feedback from families regarding the future operation of the SKPS Canteen. Please take a few moments to complete the attached survey. Your feedback will help guide future planning and decision-making to ensure the canteen best meets the needs of our school community.
Thank you for taking the time to share your thoughts and support the future direction of the SKPS Canteen.

COMPLETE THE CANTEEN SURVEY:

Mother's Day Stall – A Huge Success

A huge thank you to all of our wonderful volunteers who generously gave their time, energy and expertise to organise and run our Mother's Day Stall.
A special shout out to: Toni-Anne Whittaker, Leah Siancor, Laura de Jong, Jess Galway, Brenda Manning, Myfy Walster-Jones and Rahda Sivasankaran.
Our P&C simply could not coordinate these incredible events without the support of volunteers and our wider community. Every dollar raised goes straight back into supporting fantastic projects, programs and resources for our students and school. Not only does volunteering support our school, it is also a wonderful way to connect with others and have a lot of fun along the way. We encourage everyone to jump on board and get involved in the next P&C fundraiser!

Royal Lifesaving Spirit Carnival

On Wednesday 6 May, our Year 5 and 6 students participated in the Royal Life Saving Spirit Carnival, where they demonstrated outstanding teamwork, enthusiasm, and sportsmanship throughout the day. Students took part in a variety of exciting water-based activities and challenges that encouraged confidence, resilience, and cooperation. It was wonderful to see everyone supporting one another, giving their best effort, and representing our school with pride. The carnival provided a fantastic opportunity for students to develop important water safety skills while enjoying a fun and active experience with their peers.

Swimming Lesson Notes

In-school Swimming Lessons will take place across Weeks Nine and Ten this term, from Monday 15 June to Friday 26 June.

Keep your eyes peeled for the information pack, permission slip and cost overview, which will be making its way home very soon.

Please ensure all forms are completed and returned to the school as soon as possible to assist with planning and organisation. Thank you for your support!

Eagles and Fever Cup

The Eagles and Fever Cup will be taking place at South Kalgoorlie Primary School on Friday 15 May and again on Friday 5 June.

Games on both the court and the field will kick off from 1:30pm.

Come down and support our students as they battle it out for netball and football glory! A huge thank you to Rhys for coordinating the event and helping create these fantastic opportunities for our students.

Scholastic Book Fair

The Scholastic Book Fair is a fantastic opportunity to foster a love of reading and get exciting new books into the hands of our students. Supporting the Book Fair also helps our school earn valuable rewards and resources for classrooms and the library.

Students have visited the Library on Thursday 14 May and Friday 15 May and should be coming home with their wish list. Please note, this is a wish list only and there is absolutely no obligation to purchase any items. It simply allows students to record the books and items that caught their eye during their first visit to the Fair.

Families wishing to purchase items can do so online using the details provided on the wish list slip. If ordering online, please ensure you record the order receipt number on the slip and send it back to school with your child. Students can then present this at the Book Fair to collect their items.

The Book Fair will be open to families and students on:

📅 Tuesday 19 May and Wednesday 20 May

⏰ 2:30pm – 3:15pm

Purchases can be made using both cash and EFTPOS. We look forward to seeing families come along and support this wonderful literacy event!

South Kalgoorlie Primary School Newsletter

Life Ed Incursion

Life Ed is a fun and engaging health education program that helps students learn about making safe and healthy choices, building positive relationships, wellbeing, nutrition and cybersafety through interactive sessions led by specially trained educators.

A permission slip outlining the cost of participation was sent home with each student this week. Please complete and return the permission slip along with the $3 payment as soon as possible.

This exciting incursion will take place on Monday 25 May and Tuesday 26 May; however, payment and permission are required prior to the event.

Thank you for your support in helping us provide these valuable learning experiences for our students.

Life Ed.
Every child deserves to thrive

National Simultaneous Storytime

National Simultaneous Storytime is a nationwide event that celebrates the joy of reading and storytelling, with schools, libraries and communities across Australia reading the same story at the same time.

The focus story for 2026 is Luna Roo the Kangaroo Baller by Adam Jackson and Adrian Lloyd, illustrated by Jake Minton. The story celebrates courage, teamwork, determination and believing in yourself.

Students across the school will take part in a fun shared storytelling session on Thursday 21 May.

Be sure to ask your child about the story and what they enjoyed most from this special literacy celebration!

South Kalgoorlie Primary School Newsletter

End of Semester One Reports

A quick reminder that Semester One Reports will be sent home electronically this term.

A Detail Update Form, along with a text message and email, has been sent to all families in Term One to ensure the school has current and accurate email addresses on file. Keeping parental contact details up to date will help ensure all families receive their children's reports quickly and without issue. A follow up text message and email was sent home to all families in Week Three that had not completed the form.

Any electronic device with access to your emails will be able to view the report documents, including mobile phones, tablets and computers.

If you require your child's report to be sent to both Parent 1 and Parent 2, this should have been indicated on the returned Detail Update Form in Term One. If this did not occur, please contact the lovely Mrs Rodden on (08) 9092 5800 and she will happily update your details on the system.

School Development Day Reminder

Our Term Two School Development Day will take place on Friday 29 May. This is a non-attendance day for all students.

The following Monday, 1 June, is also a Public Holiday for WA Day and will also be a non-attendance day for students.

We look forward to welcoming students back to school on Tuesday 2 June.

We hope all families enjoy the long weekend!

Parent–Teacher Interview Day

SKPS will have a non-attendance day on Wednesday 10 June, as the school will be running Parent–Teacher Interviews throughout the day.

A link to our online booking platform will be sent electronically to all families. Please ensure you book a time to meet with your child's teacher.

Parent–Teacher Interviews are an important opportunity for families and teachers to work together to support student success. These meetings allow parents to celebrate their child's achievements, discuss progress and goals, and strengthen the partnership between home and school to ensure every child is supported both academically and socially.

We look forward to connecting with families and celebrating the learning journey of our students together.

KidSport Funding Available for Families

KIDSPORT

Did you know your child may be eligible for up to $500 each financial year to help cover sporting club fees or swimming lessons? Through the WA Government's KidSport program, children aged 5–18 years who are listed on a valid Health Care Card or Pensioner Concession Card can access financial support to participate in approved sporting clubs and programs. Participating in sport is a fantastic way for children to build confidence, stay active, develop friendships and feel connected to their community.
There are more than 30 eligible clubs within the Kalgoorlie-Boulder area, including:

- Athletics
- AFL
- Basketball
- BMX
- Boxing
- Equestrian
- Gymnastics
- Hockey
- Netball
- Soccer
- Swimming
- TeeBall

Families can search for approved local clubs and programs via the KidSport website: https://kidsport.dlgsc.wa.gov.au/find-a-club/

If you would like support accessing the program or completing an application, please contact our Student Support Officer, Renea Craig, who would be more than happy to assist.

Is Your Child Having Frequent Emotional Outburst or Meltdowns?

A Free Webinar for Parents Raising Children with ADHD

This FREE online workshop will cover:

- Understanding what's really happening during a meltdown
- Why your child can't "just calm down" — and what actually helps
- How to respond in the moment without escalating things further
- Practical strategies to reduce the intensity and frequency of outbursts
- How to support both your child and yourself through emotional challenges
- Dedicated time for questions, discussion, and real-life support

This is not just a webinar - it's an opportunity to ask questions, share what's happening in your home, and get practical support.

Thursday 14 May 2026 | 7pm - 9pm
