FROM THE PRINCIPAL

A message to our SKPS community

As Term 3 draws to a close, I would like to thank our students, families and staff for another busy and rewarding term at South Kalgoorlie Primary School. There has been so much to celebrate, and I am incredibly grateful for the energy, care and enthusiasm our community brings to our school each day.

I hope the school holidays provide everyone with an opportunity to slow down, spend time with family and friends, enjoy the things that make you happy and, most importantly, fill your cup. Whether your break is full of adventures or simply a chance to rest at home, I wish you a safe, relaxing and enjoyable holiday.
We look forward to welcoming everyone back refreshed and ready for Term 4.

Finishing Term 3 on a high

Numero Regional Competition – A Fantastic Day for SKPS!
On Monday, our talented SKPS Numero Team proudly represented South Kalgoorlie Primary School at the Regional Numero Competition. Our students demonstrated fantastic mathematical thinking, teamwork and sportsmanship throughout the day, and we were incredibly proud of the way they represented our school.
A special thank you goes to Miss Anderson, whose preparation and enthusiasm helped make this opportunity possible. Miss Anderson invested many hours working with our students, developing their Numero skills, building their confidence and coordinating arrangements for the competition. Her commitment provided our students with a wonderful opportunity to challenge themselves and put their mathematical skills into action.
Congratulations to our Numero Team on a fantastic effort and thank you to Miss Anderson for supporting and encouraging our students along the way. Well done, Team SKPS!

Interschool Athletics Carnival – A Fantastic Return to Pool A!

What a fantastic day our students had at the Interschool Athletics Carnival! Our SKPS athletes gave their very best across both track and field events, demonstrating determination, teamwork and outstanding sportsmanship throughout the day.

This year marked our first year back competing in Pool A, and we were incredibly proud to finish 4th overall. This was a wonderful achievement and a reflection of the effort our students put into both their preparation and performances on the day.

There were many fantastic individual and team performances across the carnival, but most importantly, our students represented South Kalgoorlie Primary School with pride. They encouraged one another, competed positively and showed great determination to keep giving their best.

A huge thank you to Mrs Watson for the many extra training sessions and the time and energy she invested in preparing our athletes. Thank you also to Ms Craig, Mrs Boucaut and all staff who supported our students in the lead-up to and throughout the carnival. Congratulations to every student who represented SKPS. What a wonderful way to return to Pool A – we are very proud of you all!

Enterprise Day 2026 – A Record-Breaking Success!

What a fantastic day of creativity, teamwork and community spirit at our 2026 Enterprise Day! Our students did an amazing job planning, creating and selling a wonderful range of products, food and activities, putting their entrepreneurial skills into action.

Thanks to the incredible support of our school community, we are excited to share that this year's Enterprise Day raised a record-breaking $6,009.70! This is an outstanding achievement and one our students should be very proud of.

A huge thank you to our students, staff, P&C, families and community members who contributed to the success of the day. Whether you helped with preparations, supported a stall, purchased something or simply came along and joined in the fun, you helped make Enterprise Day a very special event.

Congratulations, SKPS – what an amazing way to finish Term 3!

On Country Learning at Karlkurla Park

Our students enjoyed a wonderful On Country learning experience at Karlkurla Park, spending time learning, exploring and connecting with the local environment.

At SKPS, supporting and valuing connection to community, Country and culture underpins our learning. Opportunities such as this allow our students to take their learning beyond the classroom, strengthen their connection to place and build a deeper appreciation of culture and Country.

A huge thank you to Mrs Sambo, Mrs Tucker, Mrs Eckert, Mrs Robertson, Mrs Nixon, Ms Craig and Miss Wight for the planning, preparation and care that went into making this experience possible and for accompanying and supporting our students throughout the day.

Our students had an absolute blast, particularly enjoying the opportunity to explore the nature playground. The day was topped off with a pizza lunch, making it an extra-special way to celebrate a fantastic day of learning together.

Thank you to everyone involved in providing our students with such a meaningful and memorable experience.

Term 4 – We're Back Tuesday 13 October!

A friendly reminder to all our SKPS families that students return for Term 4 on Tuesday, 13 October 2026.

We hope everyone enjoys a safe, relaxing and refreshing school holiday break, with plenty of time to spend with family and friends, have some fun and recharge ready for another busy term.

We look forward to welcoming all of our students and families back to SKPS on Tuesday, 13 October for a fantastic Term 4! Enjoy the holidays, SKPS! 💚💛

South Kalgoorlie Primary School P&C News

A Big Thank You to Our P&C!

A huge thank you to our wonderful SKPS P&C for once again supporting our students and helping us make school experiences that little bit extra special! Our P&C has generously purchased additional activities for students to enjoy at our Outdoor Odyssey – Term 3 Engagement Day. Their contribution means there will be even more fun on offer as our students come together to celebrate a fantastic term. A special shout-out and thank you to Shar-Lee, who spent time running around, organising and collecting the activities ready for the big day. We greatly appreciate the time and effort you have put in behind the scenes.

We are very fortunate to have such a supportive P&C who are always looking for ways to make a difference for our students. Thank you, SKPS P&C – our kids had a blast!!

P&C News

Join the SKPS P&C! Our next SKPS P&C Meeting will be held on Wednesday, 14 October, and everyone is welcome!

We might be a little biased, but we think SKPS has the best P&C in the Goldfields! Our P&C plays such an important role in supporting our students, staff and school community, and they have plenty of fun along the way.

Whether you're keen to get involved, have some great ideas to share, want to meet other families or simply want to find out what the P&C is all about, we'd love to see you there. So... you should definitely join the team! Come along, get involved and help us continue to make great things happen for our SKPS kids.

2027 Parent Placement Preferences

Planning for 2027 class placements will soon be underway. Parent and carer preferences opened on Monday, 17 August and will close on Friday, 13 November.

Families wishing to submit a placement preference are asked to provide their request in writing and hand it directly to the Front Office. Please do not provide verbal requests to teachers or administrators, as these cannot be included in the placement process. Late requests received after Friday, 13 November will not be considered.

Each year, our staff dedicate significant time and care to creating classes that provide the best possible learning environment for every student. This is a complex process that considers a wide range of factors, including individual learning, social and wellbeing needs, as well as the overall balance and dynamics of each class.

While we cannot guarantee that every preference will be accommodated, all requests received within the advertised timeframe will be carefully considered. If we know that we are unable to accommodate a request, families will be contacted prior to the end of 2026.

When submitting a preference, we ask families to carefully consider the reason for their request and include this information in their letter. Multiple requests can make preferences particularly difficult to accommodate, and a request based solely on being placed with a particular friend is not considered sufficient grounds for class placement.

Thank you for trusting our staff with this important process. Our priority will always be creating balanced, supportive and positive learning environments that give all SKPS students the best opportunity to thrive in 2027.
